SKIN

Exfoliate skin by exfoliating and
get rid of dead skin cells. Make sure
it's a good quality face or body scrub
so that will look and feel as smooth
as. For a sexy body glow, opt for
arising body oil instead of ordinary
oil, and use brightening skin care
acts on the face. Finish off this
skin look with a bronzer on the face
and area.

Use Lux You Shine shower gel
hummering body lotion for sensu-
al skin.

LUSTY LOCKS

Hair length that reaches between your shoulder blades or the middle of your back definitely has more sex appeal. For a truly desirable look, go for soft, feminine styles with layers around the face. Adding a fringe will up the ante in the sultry department. Loose waves that are pretty and sophisticated are a winner when it comes to sexy hairstyles.

Tip: Give your hairstyle a stunning shine by applying oil sheen.
